Application No. 09/987,489 :
Filed: November 15, 2001 :
Attorney Docket Number: :
0036-022A : ON PETITION

OFFICE OF PETITIONS

This is a decision on the petition under 37 CFR § 137(a), filed October 28, 2005.

The Petition under 37 CFR 1.137(a) is hereby dismissed.

Any further petition to revive the above-identified application must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

The above-identified application became abandoned for failure to timely and properly reply to the Notice of Allowance and Issue Fee Due, and Notice of Allowability, mailed April 19, 2005, and Supplemental Notice of Allowability, mailed July 18, 2005. The Notices set a non-extendable three (3) month period for reply. No response having been received, the application became abandoned on October 19, 2005. The mailing of this Decision precedes the mailing of a Notice of Abandonment.

Applicant files the instant petition wherein Applicant avers that he did not receive the Notice.

Applicant is advised that an allegation that an Office action was not received may form the basis for revival of an application based upon unavoidable abandonment. If the allegation is adequately supported, the petition may be granted and a new Office action mailed. The showing required to establish non-receipt of an Office communication must include:

1. A statement from the Applicant stating that the Office communication was not received by the Applicant and attesting to the fact that a search of the file jacket and docket records indicate that the Office communication was not received.
2. A copy of the file jacket or docket record where the non-received Office communication would have been entered had it been received and docketed must be attached to and referenced in Applicant's statement.

Accordingly, Applicant's assertion, that the Notice(s) was not received, is insufficient to justify granting of the petition. Applicant must also provide a copy of the docket record (or file jacket) where the non-received Notice(s) would have been entered had it been received and docketed.

As such, the petition under 37 CFR 1.137(a) is dismissed.

Applicant should file a Request for Reconsideration of Petition and include the necessary statements and copies of documents.
